

You will pick up your bikes at the start/finish location after checking in for CP4. You **MUST** ride the single track outlined in red on the above map. You must ride in the direction indicated by the arrows. You will ride to the trail head parking area at CP8. Along the trail you will pass CP's 5, 6, & 7. They will be located right off the trail so that you cannot miss them. You must stop and punch these CP's. This is a mandatory route and you may not deviate from it for this section. Upon reaching CP8, you are free to bike the park road OR paved trail as shown on the map to the left, to reach CP9 and the canoe start. Travel on Kensington road is prohibited. You must pass under Kensington road.
